Local librarian, groups gearing up for Big Read

Seguin residents will soon have the opportunity to participate in a program that's kind of a big deal thanks to a grant from the National Endowment for the Arts. The National Endowment for the Arts awarded Texas Lutheran University an \$11,000 grant to lead the first ever Big Read Seguin, said Dan Flores, the university's librarian. Flores, who came to Seguin for the job about a year ago, wanted to introduce the Big Read to locals after participating in the event at other jobs in

Michigan and elsewhere, he said. [Read More](#)

With 82,500 new jobs in June, Texas hits monthly employment high for 2022

AUSTIN — For the eighth consecutive month, Texas broke job growth records for 2022 by adding 82,500 total nonagricultural jobs in June, and total nonagricultural employment reached 13,431,100, according to data released today by the Texas Workforce Commission (TWC). [Read More](#)

City offices collecting supplies for new Back to School event

As the summer sun continues to heat up South Texas so does a friendly competition between city of Seguin departments with the community's children coming out the winners. The city departments are hosting the first Back to School At the Pool celebration from noon to 2 p.m. Aug. 6 at the Seguin Wave Pool. [Read More](#)

Radio-controlled mower set to save city time, money

Public Works Department professionals in Seguin have a new tool to add to their figurative belts that should help save the city time, money and resources. City leaders and employees on Friday showed off the recently-purchased TRAXX RC75 radio-controlled slope mower during an unveiling ceremony and demonstration. [Read More](#)

REGION AND STATE NEWS

Texas Manufacturing Growth Abates, Outlooks Worsen

Growth in Texas factory activity continued at a modest pace in July, according to business executives responding to the Texas Manufacturing Outlook Survey. The production index, a key measure of state manufacturing conditions, was largely unchanged at 3.8, a reading well below average but still indicative of growth. [Read More](#)

San Antonio Economic Indicators

Broad measures of the San Antonio economy remained positive in June. Both the business activity and employment grew as the unemployment rate fell. Wages in San Antonio largely stayed the same, though the metro's wage growth still outpaced both the state and national averages over the past 12 months. Local dining-out activity slowed in July but remained above prepandemic levels. [Read More](#)
